Hard Rock Resorts have amazing perks for their wedding groups. Most resorts do not even offer free nights and especially not complimentary private functions but HR can save you thousands of dollars on your destination wedding.

Group vs. Individual Bookings (either one qualifies for the group booking amenities and resort credits)

- Group bookings require a \$100 deposit per room at the time of signing group contract (typically paid by the bride & groom and credited toward your room cost), final payments due 60 days prior to travel. Rates are locked in (if rates go down they will be adjusted to the lower rate but will not increase). Flexible dates for guests. Extra rooms can be cancelled with no penalty prior to deadline. Credit for free nights is applied to booking prior to travel.
- Group booking direct with Hard Rock – requires \$200 deposit for bride/groom's room. Guests pay \$200 per room deposit with final payment due at checkin. No penalty to cancel extra rooms. Credit for free nights applied at checkin.
- Individual Bookings require guests to pay a \$50 per person deposit. Flexible dates for guests. Final payments due 30-45 days prior to travel. Bride and groom are not responsible for deposits or guest payments. Credit for free nights usually refunded at the time of travel.
- New requirement: All rooms must be booked through the same source to count toward the group comps.
- Airfare can be added to any of the options and airport transfers are included.
